James Hensley

Church Unlimited | Senior Pastor

ULA has taught me how to put the convictions of my heart into words. I've grown so much in every area of my life through the amazing content we're taught and the great leadership skills modelled. I highly recommend ULA!

JENNY BALBONI

Joining ULA was one of the best things I've ever done. It's grown me in so many areas of my life and has given me a new found confidence in the the Bible. I highly recommend everyone to study at ULA.

HAYDEN SNOW

I signed up because I wanted to learn more about the Bible. ULA is that and so much more. The way God is growing and positioning me through ULA is way beyond what I thought possible. This is a program for everyone! I couldn't recommend it more.
